ORGANISATIONAL SKILLS

● **Organisational skills**

Organisational and managerial skills - September 2013 in The UK, part of the OPS - Operations team responsible of providing venue maintenance, food and accommodation for a team of 47 participants. I was also part of the organisation of an international conference held at my university with numerous responsibilities as stated previously.

Through the voluntary work at Lucca Leadership Macedonia gained hand on experience in its regular activities such as book keeping, budget, applying for grants, networking, organising and giving trainings.

Project managing - During my internship at the American Corner I was part of organising and attend cultural events for people of all ages. I was a mentor for younger interns and delegated the organisation of a full final event as a closure to my successful internship.

COMMUNICATION AND INTERPERSONAL SKILLS

● **Communication and interpersonal skills**

Good communications skills gained while working on trainings and seminars.

Ability to adapt to multicultural and multi ethical environments due to participation in international trainings as well as living in a multicultural society.

Good presentation skills due to facilitating and coaching at trainings. Team leader but also a team member with good methods of providing positive team spirit and reinforcement.
